Coaching at All Levels of Leaders

Our approach to coaching is one that accelerates an individual’s progress towards his/her goals. We provide a first-time leader with a confidential place to practice and develop skills and provide an executive access to a neutral sounding board to discuss challenges.

UNSTOPPABLE TRANSFORMATION COACHING

– under the umbrella of “Unstoppable” coaching we provide one-on-one coaching for leaders at all levels utilizing the STOP Model

TRANSITION AND CAREER COACHING – aligning someone’s skills and capabilities with their career-pathing opportunities

TEAM COACHING – developing collaboration and inter-personal feedback skills among a group tied to business initiatives and results

COACHING TO SUPPORT LEARNING – enabling mastery of skills, in a post classroom environment

EXECUTIVE COACHING – enhance leadership competence for the executive and the leadership team
